Introduction In this book Dr. Cho introduces the concept of the "fourth dimension". He states that the physical world exists in three dimensions only (in simple terms height, depth and breadth) but that a fourth and greater dimension encompasses these. This is the dimension of the spiritual where the supernatural occurs.

Cho offers a "law" of faith involving "incubating our subconsciousness" through visions, visualization (mental imaging directed toward a specific goal), and dreams. According to Cho, our subconscious is our spirit and our spirit is linked to the fourth dimension, the spiritual world. Because the spiritual world is always forming and shaping the physical world, and because we are linked in our subconscious to the spiritual world, we have power to shape it, and therefore to also shape this world.
