## International Relations Manual

The original Handbook of International Relations was the first authoritative and comprehensive survey of the field of international relations. In this eagerly-awaited new edition, the Editors have once again drawn together a team of the world's leading scholars of international relations to provide a state-of-the-art review and indispensable guide to the field, ensuring its position as the pre-eminent volume of its kind.

Handbook of International Relations | SAGE Publications Ltd

# Get Free International Relations Manual

The perfect book to get you started, or get caught back up, with International Relations. As a 'Day 0' beginner's guide, this textbook condenses the most important information into the smallest space and present concepts in an accessible way. The chapters build up the foundations for understanding how the world works and then explore the key global issues that concern the discipline – taking readers from no knowledge to competency.
