## **Masters, Servants, and Magistrates in Britain and the ...**

Master and Servant Acts or Masters and Servants Acts were laws designed to regulate relations between employers and employees during the 18th and 19th centuries. An 1823 United Kingdom Act described its purpose as "the better regulations of servants, labourers and work people". This particular Act greatly influenced industrial relations and employment law in the United States, Australia, Canada, New Zealand and South Africa. These Acts are generally regarded as heavily biased towards employers,
